

How You Can Personally Get Involved

1.

You can commit to pray for the church planting pastors and new churches within the Northwest Conference.
2.

You can encourage your church leadership to step out in faith and get involved in reaching the lost through parenting or partnering to plant a new church.
3.

You can begin to form a launch team of people who are willing to go out to plant in a nearby community or neighborhood.
4.

If presented with an opportunity, you can commit to assist in a new church plant in whatever way(s) you can.
5.

You can become a **Northwest Conference Church Planting Partner (CPP)**. By filling out a commitment card you agree to support through prayer, and/or with ongoing financial support, the development of new churches in the Northwest Conference.
