- 3:30** Go home

## What to bring

Comfortable clothes + Water bottle + Your family vehicle.

## What to leave at home

Valuables and any technology you can do without. Trust us. We'll have stuff for you to do.

## Stuff to know

- **Registration begins at 9:30 a.m.** with family activities at the church.
- **Each person will be given a box lunch** as they leave for ministry sites.
- This event is targeted to **families with children PreK-Upper Elementary School.** There is no childcare provided for younger children. You will be with your family all day and will do all activities together as a family.
- **Each family will drive together** to the ministry site, to a shopping experience and back to Redeemer. All are in close proximity to the church. Use these times in the car to process the day as a family, and enjoy some down time together.
- **We will provide you with a packet of information** when you arrive, including directions to all locations, contact numbers and detailed discussion questions to guide your day as a family.
- **Come with an open mind!** Don't feel like you need to have all the answers. There is value in learning alongside your children.
