

Bethlehem Covenant Church

Job Description: Worship Minister/Coordinator (8/2023)

Hours: Part-Time (20-25 hours)

Bethlehem Covenant, located in South Minneapolis, is seeking to love God and love our neighbors. During the pandemic, we have combined our two worship services into one blended service. The BCC community is seeking a part-time worship minister who will be providing the relational leadership and coordination for the contemporary service. This position is a part of our growing staff team as we together lead our intergenerational community. They will also have regular interaction with our traditional service leaders.

This position assumes a growing and vibrant relationship with Jesus, experience in leading worship and pastoral leadership, an ability to work with a diverse staff, and within the culture of the Bethlehem Covenant community.

Job Duties

Coordinate with staff and music leadership on a weekly basis to create our contemporary worship experience:

- Provide the relational leadership and discipling necessary to empower musicians, tech teams, and other worship voices to create a worshipful environment.
- Schedule musicians/tech team, plan worship music consistent with sermon themes, and provide communication to support this growing community of worshippers.
- Provide regular worship leadership in the contemporary service while also seeking to empower others.
- Encourage and support the use of creativity in worship through musical arrangements, readings, prayers, litanies, responsive readings, etc.
- Coordinate with sound/AV team.

Invite others, as able, to grow in leadership and their expression of worship.

Meet regularly with the staff team and church council providing a leadership voice in the church community consistent with the goal and objectives.

Manage and maintain instruments and equipment relevant to the worship experience.

Develop a budget in consultation with the Lead Pastor, traditional service worship leaders and Spiritual Life/Celebration Commission
