THE PURPOSE OF THE NORTHWEST CONFERENCE ADVENTURES IN LEADERSHIP CAMP

is to equip each person with a Christian leadership framework to assist them in discovering and further developing their own leadership style consistent with their abilities and giftedness.

EACH PARTICIPANT WILL ...

- Be introduced to various leadership styles, functions and skills.
- Become aware of personal capabilities (spiritual and natural).
- Examine characteristics needed for Christian leadership.
- Explore servanthood as the beginning and end of Christian leadership.
- Create a vision of who they can become as a leader.

PROGRAM COMPONENTS INCLUDE

- Worship & Leadership
- Acclimatization Activities
- Group Simulations
- 4 Day Canoe Trip
- Wilderness Training
- Peer Coaching
- Leadership Inventories
- Life-long Memories

BE ADVISED: AIL involves high levels of **physical, emotional and spiritual rigor.*

ARE YOU READY TO EMBARK UPON A LEADERSHIP ADVENTURE?

As with any adventure, risks and challenges exist along with excitement and rewards. Come ready to learn about your personality, gifts, abilities and temperament and how they shape you as a leader and to further develop your leadership skills with your peers. The greatest adventure in life is the discovery of your place in Christ's body as you grow in His likeness and character, as you identify your God-given gifts and abilities and as God grants you clarity on your purpose and mission for your future.
